#### LOCAL & HISTORICAL INFORMATION

As you can see from above, there are plenty of historical and cultural places of interest close to the hotel. In fact, Marathon is the site of the battle of Marathon in 490 BC, in which the heavily outnumbered Athenian army defeated the Persians during a historic battle. On a more modern and commercial note, from the hotel's beach you can take the scenic route and walk along the beach path all the way to the nearby town of Nea Makri, where you will find banks, shops, restaurants, bars, as well as an outdoor summer cinema.
